Article 35
(UNA Provincial Collective Agreement 2024-2028)

Full Reimbursement for Registration & Required Professional Liability Insurance

Under the current Provincial Collective Agreement, Employees will receive 100% reimbursement for both their Professional College Registration fee and mandatory professional liability insurance under the Health Professional Act.

This is a significant improvement. Under the previous Provincial Collective Agreement, Employers did not cover the insurance costs and reimbursed only \$250 of registration fees.

To qualify, Employees must have worked 684.6 regular hours in the previous fiscal year. For details on what qualifies as regular hours, please refer to *Clause 35.06* of the current Provincial Collective Agreement. Additional provisions apply for those working for multiple Employers.

A draft of the current Collective Agreement is available on the UNA website and UNA app.

If you have any questions or concerns, please contact your UNA local executive or Labour Relations Officer at 1-800-252-9394.
