(Amended in Article 30: Part-time, Temporary and Casual Employees and Article 37: Extended Work Day)

7.01 Regular Hours of Work

- (a) Regular hours of work for Full-time Employees, exclusive of meal periods are:
 - (i) 7.75 consecutive hours per day; and
 - (ii) 36.81 hours per week averaged over one (1) complete Cycle of the Shift Schedule.
- (b) Regular hours of work shall:
 - (i) include, as scheduled by the Employer, two (2) rest periods of 15 minutes during each full working Shift of 7.75 hours; or

- (ii) include, as scheduled by the Employer, one (1) rest period of 30 minutes during each full working Shift of 7.75 hours if this is more compatible with the scheduling of work assignments; the alternative to be applied shall be at the discretion of the Employer; or
 - (iii) include, as scheduled by the Employer, one (1) rest period of 15 minutes during each half Shift of not less than four (4) hours; and
 - (iv) exclude a meal period of 30 minutes to be scheduled by the Employer during each working day on which the Employee works in excess of four (4) hours. Employee requests for meal periods of more than 30 minutes that are compatible with the scheduling of work assignments shall not be unreasonably denied. Where possible, such meal periods shall not be scheduled to occur in the first or last hour of the shift, except by mutual agreement between the Employer and the Employee.
- (c) Although meal periods are excluded in the calculation of regular hours of work, Employees required to be readily available for duty during their meal period shall be so advised in advance and paid for those meal periods at their Basic Rate of Pay.
- (d) Employees recalled to duty during their meal periods or rest periods or unable to take a rest period or meal period, shall be given a full meal period or rest period later in their Shift, or, where that is not possible, be paid as follows:
- (i) for a rest period, at 2X their Basic Rate of Pay rather than at straight time; or
 - (ii) for a meal period for which the Employee is entitled to be paid under Article 7.01(c), at 2X their Basic Rate of Pay rather than at straight time; or
 - (iii) for a meal period for which the Employee is not otherwise entitled to be paid, at 2X their Basic Rate of Pay.
- (e) Instructors, Clinical Nurse Specialists and Nurse Clinicians may work flexible hours by agreement between the Employee and the Employer.
- (f) On the proclaimed date of conversion to Mountain Standard Time, regular hours of work shall be extended to include the additional hour with payment due at the applicable overtime rate. On the proclaimed date when Daylight Saving Time resumes, the one (1) hour reduction in the Shift involved shall be effected with the appropriate deduction in regular earnings.

7.02 **Shift Schedules**

- (a) Employees, in the course of their regular duties, may be required to work on various Shifts throughout the 24 hour period of the day and the seven (7) days of the week. The Shift where the majority of hours worked fall between 2400 and 0800 hours is the first Shift of the working day.

- (b) “Days of Rest” for a Full-time Employee means all days where the Employee is not scheduled to work, pursuant to Article 7: Hours of Work and Scheduling Provisions or Article 37: Extended Work Day.
- (c) The Employer, in scheduling Shifts, shall take into consideration an Employee’s request for certain Shift schedules, subject to the requirements of Article 7.02(a).
- (d) The Shift patterns which may be available are:
 - (i) days, evenings, nights rotation (however, the Employer shall endeavour to minimize application of such rotation);
 - (ii) permanent days;
 - (iii) permanent evenings (only by request of Employee);
 - (iv) permanent nights (only by request of Employee);
 - (v) evenings and days rotation;
 - (vi) nights and evenings (only by request of Employee);
 - (vii) nights and days rotation.

An application in response to a position posted with Shift patterns (iii), (iv) or (vi) constitutes an Employee request for the purposes of this section.

The Employer shall endeavour to minimize the assignment of different Shift patterns between designated days of rest, where Employees are working a Shift pattern 7.02(d)(i) or (vi) or (vii) which begins with night Shifts. Where possible, there shall be at least 47.75 hours off duty between a night Shift to day Shift change.

- (e) A request by an Employee to work permanent evenings or permanent nights shall not be unreasonably withheld. The Employer may require Employees permanently working evenings, nights or both to work blocks of day Shift for the purpose of maintaining proficiency. This is limited to two (2) blocks per year totaling not more than 14 calendar days.

- (e.1) An Employee who has requested to work Shift patterns (iii), (iv) or (vi) and has done so for at least 12 months, may give the Employer notice that they wish to re-assert their Article 7.02(f) rights (“to revert”). Upon receiving such notice, the Employer shall post a Shift schedule within 12 weeks of receiving such a request. Where multiple requests to revert are received, the Employer will not be required to revise the schedule more than once in any 12 month period commencing with the initial request to revert. Upon receiving a request to revert, the Employer shall provide all other Employees included on the schedule working patterns (iii), (iv) or (vi), regardless of how long they have worked in those Shift patterns, notice of the request to determine if they also wish to revert commencing with the next posted Shift schedule.
- (f) This section applies subject to Article 7.02(f.1) and unless otherwise agreed in writing by the Local and the Employer.

Employees working Shift patterns 7.02(d)(i), (v) and (vii), shall be assigned day duty at least 2/5 of the time during the Shift cycle. For the purpose of applying the foregoing:

- (i) Day duty means Shifts where the majority of the regularly scheduled Shift falls between 0700 hours and 1500 hours. Evening duty means Shifts where the majority of the regularly scheduled Shift falls between 1500 hours and 2300. Night duty means Shifts where the majority of the regularly scheduled Shift falls between 2300 hours and 0700.
 - (ii) Employees will be deemed to have been assigned day duty when they are absent on vacation or on a Named Holiday that would have, except for such absence been day duty to which the Employee would have been assigned in accordance with the Shift schedule.
 - (iii) Scheduled days of rest are not considered as day duty for the purpose of applying this provision.
- (f.1) Subject to the provisions of this Collective Agreement, the Employer is responsible for the hours of operation, number of staff on each Shift and the staffing configuration. The proportion of day duty in Article 7.02(f) may be reduced below 2/5 when it is mathematically impossible to assign all available Shifts using only Regular Employees within the scheduling provisions contained in this Collective Agreement. When it is not possible, the proportion of day duty will be reduced only to the extent necessary to allow those Employees to be scheduled into the available Shifts.
 - (f.2) The provision that, prior to this Collective Agreement coming into force, contractually afforded positions within certain programs or units day duty at least 50% of the time over one (1) complete Cycle of the Shift Schedule shall continue to apply to those positions unless the delivery of client care requires a change and if so, it shall change only to the extent necessary.

- (g) Except in cases of emergency or by mutual agreement between the Employee and the Employer, Shift schedules shall provide for:
 - (i) at least 15 hours off duty between Shifts;
 - (ii) at least two (2) consecutive days of rest;
 - (iii) days of rest on 1/2 of the weekends averaged over one (1) complete Cycle of the Shift Schedule, provided that an Employee shall not be scheduled to work more than two (2) consecutive weekends. "Weekend" shall mean a Saturday and the following Sunday assuring a minimum of 56 hours off duty, provided not more than one (1) hour is worked on the Sunday. Where possible, Employees shall not be required to work beyond 1800 hours on the day preceding the designated days of rest when designated days of rest fall on a weekend; and
 - (iv) not more than six (6) consecutive scheduled days of work.
 - (v) Where possible, one (1) weekend in each four (4) week period shall be an extended weekend. "Extended Weekend" shall mean a Saturday and the following Sunday assuring a minimum of 79.75 hours off duty, provided not more than one (1) hour is worked on the last day of the extended weekend.
- (g.1) The provisions that, prior to this Collective Agreement coming into force, contractually afforded positions within certain programs or units days of rest on at least nine (9) out of 12 of the weekends averaged over one (1) complete Cycle of the Shift Schedule shall continue to apply to those positions unless the delivery of client care requires a change and if so, it shall change only to the extent necessary.
- (h) Two (2) optional scheduling systems are available which may be applied with written agreement between the Employer and the Local. Where an option is applied, the relevant provisions of Article 7.02(g) shall be amended as follows:

OPTION I

- 7.02(g)(i) at least 15 hours off duty between Shifts;
- (ii) at least two (2) consecutive days of rest;

- (iii) days of rest on alternate weekends. One (1) weekend in each four (4) week period shall be an extended weekend. "Weekend" shall mean a Saturday and the following Sunday, assuring a minimum of 56 hours off duty, provided not more than one (1) hour is worked on the Sunday, and "Extended Weekend" shall mean a Saturday and the following Sunday assuring a minimum of 79.75 hours off duty, provided not more than one (1) hour is worked on the last day of the extended weekend. Where possible, Employees shall not be required to work beyond 1800 hours on the day preceding the designated days of rest when designated days of rest fall on a weekend; and
- (iv) not more than seven (7) consecutive scheduled days of work to occur not more than once in a four (4) week cycle.

OPTION II

- 7.02(g) (i) at least 15 hours off duty between Shifts;
- (ii) at least two (2) consecutive days of rest;
- (iii) days of rest on three (3) weekends in a six (6) week period, one (1) of which shall be an extended weekend. "Weekend" shall mean a Saturday and the following Sunday, assuring a minimum of 56 hours off duty, provided not more than one (1) hour is worked on the Sunday and "Extended Weekend" shall mean a Saturday and the following Sunday assuring a minimum of 79.75 hours off duty, provided not more than one (1) hour is worked on the last day of the extended weekend. Where possible, Employees shall not be required to work beyond 1800 hours on the day preceding the designated days of rest when designated days of rest fall on a weekend; and
- (iv) not more than seven (7) consecutive scheduled days of work to occur not more than twice in a six (6) week cycle.

- (i) Violation of any provision of Article 7.02(g) or 7.02(h) shall result in payment to each affected Employee at 2X the Employee's Basic Rate of Pay for all regular hours worked during the period of violation.

7.03 Schedule Posting

- (a) Shift schedules shall be posted 12 weeks in advance.
- (b) In the event of unusual circumstances, the Employer and the Local may agree in writing on a shorter time period than 12 weeks.
- (c) The Employer shall provide the Local with a copy of each Shift schedule upon request.

- (d) (i) Prior to implementing or posting a new Shift schedule the Employer shall have discussions with the Local regarding the upcoming new schedule.
- (ii) The Parties shall agree on a reasonable time frame required for line selection (some factors to consider would include historical practice, the number of Employees, number of Employees in the identical FTE, the magnitude of the change, the time of year).
- (iii) Should the Parties be unable to agree on the time frame for line selection, the matter shall be referred to Dispute Resolution Advisory Committee (DRAC), who shall meet within one (1) week, via telephone conference call and agree on the time frame for line selection.
- (iv) If the DRAC is unable to agree on the time frame for line selection, the matter shall be immediately referred to an arbitrator on the roster in the Collective Agreement. The selection of the arbitrator shall be made by the DRAC representatives that heard the issue in the mediation. The matter will be dealt with via conference call of no more than two hours and the arbitrator shall immediately determine the time frame for line selection. Such decision shall be final and binding and there will be no written decision.
- (v) The schedule shall then be posted and line selection shall take place during the specified time frame.
- (vi) At the end of the specified time frame, the 12 week advance notice shall begin.
- (vii) Should an Employee be unable or unwilling to select their line within the specified time frame, such Employee shall forfeit their right to line selection.

7.04 **Schedule Changes**

- (a) If, in the course of a posted schedule, the Employer:
 - (i) changes Employees' scheduled days off without giving 14 days' notice of the change, they shall be paid 2X their Basic Rate of Pay for all hours worked on what would otherwise have been their off-duty days.
 - (ii) changes Employees' scheduled Shift, but not their scheduled days off, without giving 14 days' notice of the change, they shall be paid 2X their Basic Rate of Pay for all hours worked during the first Shift of the changed schedule.
- (b) Employees shall be notified of such changes in their schedule and such changes shall be recorded on the Shift schedule.

- (c) An Employee or the Employer may, during the course of a posted schedule, ask to amend scheduled Shifts. Such Employee requests shall be granted where operationally possible without additional cost. Where mutually agreed, the requirements for 14 days' notice of change and the resultant penalty pay as described in Article 7.04(a) shall not apply. Employees or the Employer should make such requests as far in advance as possible in order to maximize the ability to accommodate the request. Any Shift changes made by mutual agreement shall not violate the scheduling provisions of this Article.

7.05 Employee Shift Exchange

- (a) Employees may exchange Shifts, or portion of Shifts, among themselves, provided that:
 - (i) the exchange is agreed to, in writing, between the affected Employees;
 - (ii) prior approval of such exchange has been given by the Employees immediate supervisor;
 - (iii) where a request for approval is made in writing, the Employer's reply shall also be in writing; and
 - (iv) such exchange must not result in additional costs for the Employer when compared to the Employees' pre-exchange schedules.
- (b) Such exchange shall be recorded on the Shift schedule.
- (c) Such exchange shall not be deemed a violation of the scheduling provisions of this Article.
- (d) Shift exchanges shall not be permitted unless the Employees have been provided appropriate orientation.
- (e) Where a Shift exchange involves a designated day of rest, the designated day of rest shall also be deemed to be exchanged.

7.06 Reporting Pay

In the event that an Employee reports for work as scheduled and is requested by the Employer to leave:

- (a) the Employee shall be compensated for the inconvenience by a payment equal to four (4) hours pay at the Employee's applicable rate of pay, exclusive of Shift differential and weekend premium payments. Such Employee shall be reimbursed for the cost of reasonable, necessary and substantiated transportation expenses for a round trip between the place of employment and the Employee's home.

- (b) and fewer than four (4) hours remain in the scheduled Shift, the Employee shall be paid for the remaining hours of the scheduled Shift at the Employee's applicable rate of pay, exclusive of Shift differential and weekend premium payments. This does not apply in situations where the start time of the scheduled Shift has been changed.
- (c) No Employee shall receive payment for Article 7.06(a) and Article 7.06(b) concurrently.

7.07 The Employer shall not unreasonably refuse to implement a contractually compliant Shift schedule developed by the Employee(s) and the Local provided the proposed schedule does not result in any additional costs.

ARTICLE 8: OVERTIME

- 8.01 (a) Overtime is all time authorized by the Employer and worked by an Employee in excess of 7.75 hours per day or on scheduled days of rest.
 - (b) The Employer shall designate an individual for each site who may authorize overtime. The Employer shall not unreasonably deny authorization after the fact for overtime worked where such overtime arises as a result of unforeseeable circumstances in which it is impossible to obtain prior authorization.
 - (c) Overtime may be accumulated and taken in time off at a mutually acceptable time at the applicable premium rate. Requests to take accumulated overtime as time off shall be approved or denied within 14 days of receiving the request. Where the request is denied, the Employer shall provide written reasons for the denial of the request. Time off not taken by the last pay period end date in March in any given year shall be paid out unless otherwise mutually agreed. Such request to carry over lieu time shall be submitted by the Employee in writing prior to the last pay period end date in March, and shall not be unreasonably denied. Once annually, following completion of the payroll calendar for the forthcoming year, the Employer shall confirm the date of the last pay period end date in March for the Union.
 - (d) The Employer shall provide overtime forms, which are to be signed by the designated authorizing person and a copy shall be given to the Employee as soon as practicable.
- 8.02 The overtime rate of 2X the applicable Basic Rate of Pay shall be paid for overtime worked.
- 8.03 No Employee shall be requested or permitted to work more than a total of 16 hours (inclusive of regular and overtime hours) in a 24 hour period beginning at the first hour the Employee reports to work.
- 8.04 (a) The Employer shall endeavour to minimize the use of mandatory overtime.

- (b) The Employer may request an Employee to work a reasonable amount of overtime. Should the Employee believe that the Employer is requesting the Employee to work more than a reasonable amount of overtime, then the Employee may decline to work the additional overtime, except in an emergency, without being subject to disciplinary action.

- (b) external candidates.

In the event that an Employee from another participating Employer is the successful candidate for a posted vacancy, the Employee may transfer pension entitlements, vacation accrual rates, unused vacation up to one (1) year's entitlement and sick leave up to the maximum level of entitlements in effect at the receiving bargaining unit. Employees who elect to transfer their vacation and sick leave entitlements to their new Employer are required to transfer their entitlements in whole and are not permitted to maintain the same entitlements concurrently with their original Employer. Employees shall be required to comply with the Employers' administrative controls as a condition of transferring entitlements under this article.

14.06 The Union and all applicants for the transfer, promotion and/or vacancy shall be informed in writing of the name of the successful applicant within five (5) working days of the appointment.

In reinstating an Employee, the Employer will consult with the Employee and the Union over possible suitable placements and reinstate the Employee to a site suitable to the Employee if possible. If that is not possible, the Employee will be reinstated to the Employee's home site if possible. If the foregoing options are not possible, the Employee will be reinstated to the closest possible site to that Employee's home site. Such reinstatement or placement shall be at not less than the rate of pay to which the Employee would be entitled had the Employee remained in the Employee's former position. The Employee shall continue to be paid at the Basic Rate of Pay of the former position until they have been placed in a suitable position.
- (d) When the Employer reinstates an Employee in the Employee's former position or places the Employee in another suitable position, the vacancy in which the Employee is being placed shall not be subject to the provisions of Articles 14.01 to 14.06 inclusive.

Where the Employee will be on rotating Shifts, the first two (2) Shifts shall be day Shifts, and in addition the Employee's first Shift on evenings or nights shall be under guidance or supervision.

14.09 An Employee's anniversary date, for the purpose of an annual increment, shall not be changed as a result of promotion.

- 14.10 When, because of inability to perform the functions of a position, or because of ill health or by the Employee's request, an Employee is transferred to a lower rated classification, the Employee's rate will be adjusted immediately to that step in the scale where the Employee would have been positioned had the Employee been retained in the lower rated classification from commencement of employment.

During this 18 month period, the former Employee may be reinstated into the Employee's former position. The Local shall be notified whenever this clause is applied.

39.02 **New Classifications**

If the Employer creates a new classification which belongs in the bargaining unit and which is not now designated in this Collective Agreement, or if a new classification is included in the bargaining unit by the Labour Relations Board, the following provisions shall apply:

- (a) The Employer shall establish a position title and a salary scale and give written notice of same to the Union.
- (b) If the Union does not agree with the position title and/or the salary scale, representatives of the Employer and the Union, shall, within 30 days of the creation of the new classification or the inclusion of a new classification in the bargaining unit, meet for the purpose of establishing a position title and salary scale for the new classification.

39.03 **Classification Review**

The Employer will give consideration to such application and notify the Employee accordingly.
- (b) Should Employees feel that they have not received proper consideration in regard to a classification review, they may request that the matter be further reviewed by discussion between the Union and the Employer.

40.01 Except as otherwise provided in this Collective Agreement, an Employee (or the Employee's alternate) who is a member and attends meetings of a committee established by the Employer, shall be paid at the Employee's applicable rate of pay for attendance at such meetings. Employees on leave shall receive their Basic Rate of Pay. Time spent traveling for meetings called by the Employer at other than the Employee's home site and further than 35 kilometres from that site or the Employee's home whichever is shorter shall be paid in accordance with Article 7: Hours of Work and Scheduling Provisions and reimbursement for kilometerage shall be in accordance with Article 10: Transportation.

ARTICLE 41: AMBULANCE DUTY

41.01 Where the Employer requires Employees to perform Ambulance duties, the Employer shall establish a roster on which Employees may indicate their willingness to perform Ambulance duties. Employees who have not placed their names on such a roster shall not be required to take an Ambulance assignment except where no Employee on the roster can perform such assignment.

41.02 An Employee assigned to travel by Ambulance shall be paid \$50 per round trip beyond a radius of 35 kilometres from the Employee's place of employment.

41.03 In addition to the payment in Article 41.02 above:

- (a) In the event circumstances permit an immediate return to the Employee's place of employment, the Employee shall be paid at the Employee's basic rate and/or, if applicable, the overtime rate as stated in Article 8: Overtime, to which the Employee is entitled up to the time:
 - (i) the patient/resident/client is released into the care of the receiving site;

 - (iii) the Employee's Basic Rate of Pay and/or, if applicable, the overtime rate as stated in Article 8: Overtime, for the time spent on the return trip on the same basis as if the Employee had been working at the Employee's place of employment.

ARTICLE 42: EMPLOYMENT INSURANCE PREMIUM REDUCTIONS

- 42.01 Subject to Article 42.02, the Employee's portion of all monies from Employment Insurance Commission Premium Reductions shall be administered for the benefit of Employees by the Employer in accordance with the Employment Insurance Commission's regulations.

Otherwise, the funds shall be paid to Employees unless the Local and the Employer agree otherwise.

ARTICLE 43: SUBSISTENCE AND CAMP ALLOWANCE

- 43.01 Employees who are required to travel beyond a 50 kilometre radius from their home site or 50 kilometres from their normal work area (where that work area exceeds a 50 kilometre radius from their home site) on business authorized by the Employer shall be reimbursed for expenses incurred as shown below, or in accordance with the Province of Alberta Regulations Governing Travel and Subsistence or Employer Policy, whichever is higher.

- (ii) Parking charges incurred while on Employer business shall be reimbursed upon submission of receipts.

43.02 Camp Allowance

- (b) Accordingly, the parties agree that the following method will be adopted to compensate Employees who volunteer to accompany patients/residents/clients on Camp.

- (c) Employees who volunteer to attend Camp shall be eligible for free time at the discretion of the Camp Director.

ARTICLE 44: MOBILITY

44.01 Sites

- (a) All Employees will work either “at” a designated site, or “at or out of” a designated site.
- (b) Multi-site Employees established under Article 44.03 will work “at”, or “at or out of”, more than one (1) designated site, but one (1) of those sites must be designated as their home site.
- (c) Employees under this Collective Agreement, for so long as they remain Employees and regardless of their work location, will remain under the control and direction of the Employer.
- (d) The Employer may establish new sites, or close existing sites.

44.02 “At or out of” Positions

- (a) An “at or out of” position is one where the Employee is required in the regular course of their duties to perform work at more than one (1) site on an unscheduled basis or to perform the Employee’s duties at locations other than Employer sites where the Employer deems it appropriate because either:
 - (i) Services are best delivered at a variety of places including sites operated by the Employer and places other than sites operated by the Employer, including schools, patients’ homes, places of business, etc.; or
 - (ii) the Service requires specialist Employees or involves a specialized or specific medical Service which, due to insufficient demand at one (1) location, is best delivered by the same Employees working “at or out of” a site or sites on an irregular basis.
- (b) “At or out of” Employees will not be assigned to work at sites to do the work that has been routinely done by Employees working at that site. That is, their work will be for the purpose the position was created. These positions will not be utilized for scheduling relief or staff replacement. Float positions created under Article 44.06 are not “at or out of” positions.
- (c) An Employee given a notice of change in position from an “at” a site position (whether single site or multi-site) to an “at or out of” a site position may accept the new “at or out of” position or decline the “at or out of” position transfer and exercise rights under Article 15: Layoff and Recall.

44.03 Multi-site Positions

- (a) A multi-site position is one where the Employees are required to work routinely and on a scheduled basis “at” or “at or out of” more than one (1) site.

- (b) The Employer may create new multi-site positions where necessary either because:
 - (i) they require specialist Employees; or
 - (ii) they involve specialized or specific medical Services which, due to insufficient demand at one (1) location, are best delivered by the same Employees working at more than one (1) site on a regularly scheduled basis.
- (c) The norm will continue to be that most Employees will continue to be employed in single site positions.
- (d) If the Employer establishes a multi-site position, it shall prepare a description of the position, the locations involved and the reason why the position needs to be a multi-site position.

It will provide the Local with:

- (i) the description of the position and the rationale for its creation;
 - (ii) the locations involved and the designated home site;
 - (iii) the proposed implementation date;
 - (iv) whether it is a new position; and
 - (v) whether it results in the elimination of one (1) or more existing positions.
- (e) If the Employer creates new multi-site positions that result in the elimination of existing positions, then the Employer, in consultation with the Union and the Employees, will determine the willingness of the incumbent Employees to accept the new multi-site positions. Those positions will be filled by the transfer of willing qualified incumbents in order of seniority.
 - (f) Any Employee whose position is eliminated as the result of the creation of a new multi-site position who is not transferred to a new multi-site position will receive a notice under Article 15: Layoff and Recall.
 - (g) Any new multi-site positions not filled by the processes in Article 44.03(d) and (e) will be filled by job posting.
 - (h) If the Local, within 10 days of receiving the description of a new multi-site position, objects that it is an inappropriate situation to create a multi-site position, the Local may direct that issue to the Relocation Committee for resolution. The submissions to the Relocation Committee shall include the Local's reasons why the creation of the position is inappropriate.

- (i) In determining whether a multi-site position is appropriate, the Relocation Committee will consider the type and scope of multi-site positions previously agreed to, the description of the purpose of such positions in this Agreement, and the changing nature of the delivery of health care Services.
- (j) For the purposes of Article 7: Hours of Work and Scheduling Provisions, Article 30: Part-time, Temporary and Casual Employees, and Article 37: Extended Work Day, the Employee's Shift schedules shall include the sites other than the home site.
- (k) An Employee given a notice of a change in the position from an "at" a site position to a multi-site position may accept the move, accept the Employee's rights under Article 15: Layoff and Recall except the right to displace other Employees, or object to the move and ask that it be reviewed by the Employer and, failing resolution within five (5) days, by the Relocation Committee. An Employee's objection must state in writing the reasons upon which the Employee objects to the relocation.
- (l) The Employee, upon giving an objection, and the Employer, upon receiving that Employee's objection, will ascertain, whether there are other Employees able to accept the relocation in place of the objecting Employee, whether they are willing to do so, and whether the objecting Employee is willing and suitable to take that other Employee's place in lieu of the Employee's position.
- (m) The Employer will provide the Relocation Committee and the Local with the information about the willingness and ability of other Employees to relocate prior to the next meeting of the Relocation Committee.
- (n) The Relocation Committee will decide whether the personal circumstances of the Employee revealed in the objection are such that it is not reasonable for the Employee to be required to accept the multi-site position in accordance with the Employer's notice after considering:
 - (i) The Employee's interests in remaining at a single workplace including significant transportation difficulties, family circumstances and similar personal interests or significant professional interests;
 - (ii) The degree to which the Service requires or depends upon the Employee's particular skills, abilities and training;
 - (iii) The availability of other persons able and willing to take the multi-site position; and
 - (iv) Any earlier relocations the Employee experienced that compound the effect of the disruption on the Employee's personal circumstances.

- (o) If the Relocation Committee finds that there is a suitable qualified volunteer willing to accept the multi-site position in place of the Employee raising objections, it may direct that the multi-site position be given to that volunteer in place of the objecting Employee provided the objecting Employee is willing and suitable to take that volunteer's place in lieu of the Employee's position.
- (p) If no suitable volunteer is available and if, after considering the circumstances, the Relocation Committee finds that the Employee's interests outweigh the Employer's interests in making the transfer, the Employee will as a result be entitled to exercise full Article 15: Layoff and Recall rights.

44.04 **Permanent Service Relocation**

- (a) Employees given a notice of permanent relocation of their positions to a location over 50 kilometres from their home site may accept the transfer or decline the transfer and exercise their rights under Article 15: Layoff and Recall.
- (b) Employees given a notice of permanent relocation due to Service relocation to a location under 50 kilometres from their home site may accept the relocation, accept their rights under Article 15: Layoff and Recall except the right to displace other Employees, or object to the transfer, and ask that it be reviewed by the Employer and, failing resolution within five (5) days, by the Relocation Committee. An Employee's objection must state in writing the reasons upon which the Employee objects to the relocation.
- (c) The Employee, upon giving an objection, and the Employer, upon receiving that Employee's objection, will ascertain whether there are other Employees able to accept the relocation in place of the objecting Employee, whether they are willing to do so, and whether the objecting Employee is willing and suitable to take that other Employee's place in lieu of the Employee's position.
- (d) Each will provide the Relocation Committee and the Local with the information regarding the willingness and ability of volunteers to take the position prior to the next meeting of the Relocation Committee.
- (e) The Relocation Committee will decide, prior to the Employee's relocation, whether the personal circumstances of the Employee revealed in the objection are such that is not reasonable for the Employee to be required to relocate in accordance with the Employer's notice after considering:
 - (i) the Employee's interests in remaining at the Employee's existing workplace including significant transportation difficulties, family circumstances and similar personal interests or significant professional interests;
 - (ii) the degree to which the relocating Service requires or depends upon the Employee's particular skills, abilities and training;
 - (iii) the availability of other persons able and willing to take the position; and

- (iv) any earlier relocations the Employee experienced that compounds the effect of the disruption on that Employee's personal circumstances or cumulatively results in the Employee being moved in excess of 50 kilometres from the Employee's original location.
- (f) If the Relocation Committee finds that there is a suitable qualified volunteer willing to accept the position in place of the Employee raising objections to relocation, it may direct that the position be given to that volunteer in place of the objecting Employee provided the objecting Employee is willing and suitable to take that volunteer's place in lieu of their position.
- (g) If no suitable volunteer is available and if, after considering the circumstances, the Relocation Committee finds that the Employee's interests outweigh the Employer's interests in making the relocation, the Employee will as a result be entitled to exercise full Article 15: Layoff and Recall rights.

44.05 **Temporary Transfers**

(a) **Meetings**

Employees may be assigned to attend meetings at another site.

(b) **Orientation**

New Employees may be assigned to attend orientation at another site to support centralized or standardized delivery or space issues. This shall not replace site specific space orientation.

(c) **Relocations due to Renovations or Facility or Equipment Maintenance or Failure**

If renovations or facility or equipment maintenance or failure require a temporary transfer of all or part of a unit/program to another site, the following procedures will apply:

If the relocation is anticipated to last for less than 150 days and is for less than 50 kilometres, the Employer may transfer the Employees. In other situations, the decision about which Employees will relocate temporarily will be made as follows:

- (i) Employees from the Service being temporarily relocated will be asked to volunteer to relocate.
- (ii) If fewer Employees than required volunteer to relocate temporarily, then the governing Service Relocation provisions shall apply. An Employee laid off due to this provision shall not forfeit recall rights by refusing recalls to other than the position from which the Employee was laid off.

- (iii) If more Employees than required volunteer to relocate temporarily, the most senior Employees shall have the right to relocate temporarily, provided they have the ability to perform the work.

The Employer must provide Employees transferred under this provision with any necessary orientation.

Employees' FTEs will not change due to a temporary transfer under this provision.

Employees transferred under this provision may, for the duration of the transfer, be integrated into the operations and rotations of the receiving site.

Employees will return to the sending site once the need for the relocation is over.

Temporary locations under this Article shall last no more than two (2) years unless the Local agrees to extend that period.

(d) **Education and Skills Maintenance**

The Employer may assign Employees to work at more than one (1) site for educational and skills maintenance purposes.

For workshops, conferences, in-services and training related to new equipment or processes that do not exceed five (5) days' duration, the Employer will wherever possible provide the Employee with 12 weeks' notice and in no event will the period of notice be reduced below three (3) weeks without the Local's consent.

Where an Employee is assigned to another site for skills maintenance purposes because the necessary work environment or patient contact can only be provided at that other site and only at times that are unpredictable and not amenable to substantial advanced notice (for example because they depend upon the presence of certain types or volumes of patients), the Employee will be given reasonable notice in the circumstances.

For other educational or skills maintenance purposes, where it is impractical to provide the skills maintenance at the Employee's home site, Employees may be assigned to work at any site provided they are given 12 weeks' notice, or any shorter period of notice agreed to by the Local.

Any single assignment shall not exceed three (3) months. The term of assignments can be renewed and extended with Local agreement. No Employee will be given more than two (2) such assignments within a 12 month period without the Local's consent.

The Employer will not transfer an Employee to a location more than 50 kilometres from the Employee's home site under this provision without the Local's consent, which will not be unreasonably withheld.

The Employer shall endeavor to offer staff in similar circumstances similar opportunities to attend other sites for education or skills maintenance.

This clause will not be used for the purposes of regularly scheduling Employees across sites on an ongoing basis or for operational convenience unrelated to the skills maintenance involved.

The Employer will give Employees assigned to another site a reasonable period of site orientation commensurate with their duties at that site.

(e) **Emergency Circumstances**

An emergency is an unforeseen combination of circumstances or the resulting state that calls for immediate action.

A situation is not an emergency if it results from a reasonably foreseeable combination of circumstances or if reasonable remedial steps could have been or can still be taken to deal with the circumstances.

Employees from any site may be assigned to work at any site to provide assistance in emergency circumstances.

Before invoking this provision, the Employer will assess its ability to meet the emergency by compelling Employees at that site to work overtime. The ability or necessity to compel overtime neither proves nor disproves emergency circumstances. The parties recognize that the decision should be made in the best interests of patient care, that the relative costs are not a factor in themselves and that there are times when requiring mandatory overtime may itself create stresses on Employees and safety concerns that outweigh the stresses and concerns caused by relocation.

The Employer will notify the Union forthwith at any time this provision is invoked and disclose the circumstances that resulted in the emergency.

The Employer shall reimburse Employees for all reasonable, necessary and substantiated additional accommodation and transportation costs for traveling between sites including parking if not otherwise provided.

44.06 Designated Float Positions

(a) The Employer may post designated float positions. A float position is one that may be scheduled in any site designated in the posting, not to exceed three (3) sites, the furthest two (2) sites being no more than 100 kilometres apart, for the following purposes:

- (i) Coverage for sick leave;
- (ii) Coverage for vacation;

- (iii) Coverage for approved leave of absence;
- (iv) Coverage for educational programs;
- (v) Coverage for those on skills maintenance;
- (vi) Surges in workload;
- (vii) Coverage for unanticipated absences.

The Employer and the Local(s) may mutually agree to amend the distance between the furthest two Sites to 150 kilometres.

- (b) The FTE total for designated float positions must not exceed 3% of the Employer's total FTEs worked by Part-time and Full-time Regular Employees.
- (c) One (1) of the sites at which the Employee floats shall be designated as the Employee's home site.
- (d) The Employer will post schedules for float positions in accordance with Article 7: Hours of Work and Scheduling Provisions and Article 37: Extended Work Day in each specified site. The schedules will show the applicable site for all hours worked. Change of site for a Shift prior to the commencement of the Shift will not activate the Shift change penalty.
- (e) Where an Employee is required to move between sites after a Shift has commenced, travel time will be part of the normal daily hours of work.
- (f) Overtime for float Employees will be paid in accordance with Article 8: Overtime and any Extended Work Day Agreement recognizing total hours worked in all specified sites.
- (g) The Employer will provide Article 11.03 orientation at the Employee's home site and a reasonable orientation to each of the other designated sites.
- (h) The Article 13: Evaluations and Personnel File yearly evaluation will be done by the supervisor at the home site.
- (i) There will be no layoffs as a result of the use of float positions.

44.07 **Volunteers for Temporary Assignments**

- (a) The Employer may seek and post for Regular Employees willing to take temporary transfers to provide relief for persons absent due to the following circumstances:
 - (i) Sick leave;
 - (ii) Vacation;

- (iii) Approved leave of absence;
 - (iv) Educational programs;
 - (v) Skills maintenance; and
 - (vi) for specific jobs of less than three months.
- (b) The Employer will indicate and postings will designate the site (or sites in the case of multi-site positions) involved, and any necessary qualifications. The posting may either specify anticipated dates of the temporary vacancy, or may seek an expression of willingness to accept such a position at some future date.
- (c) This will not be used for temporary positions which must be posted under Article 14.02.

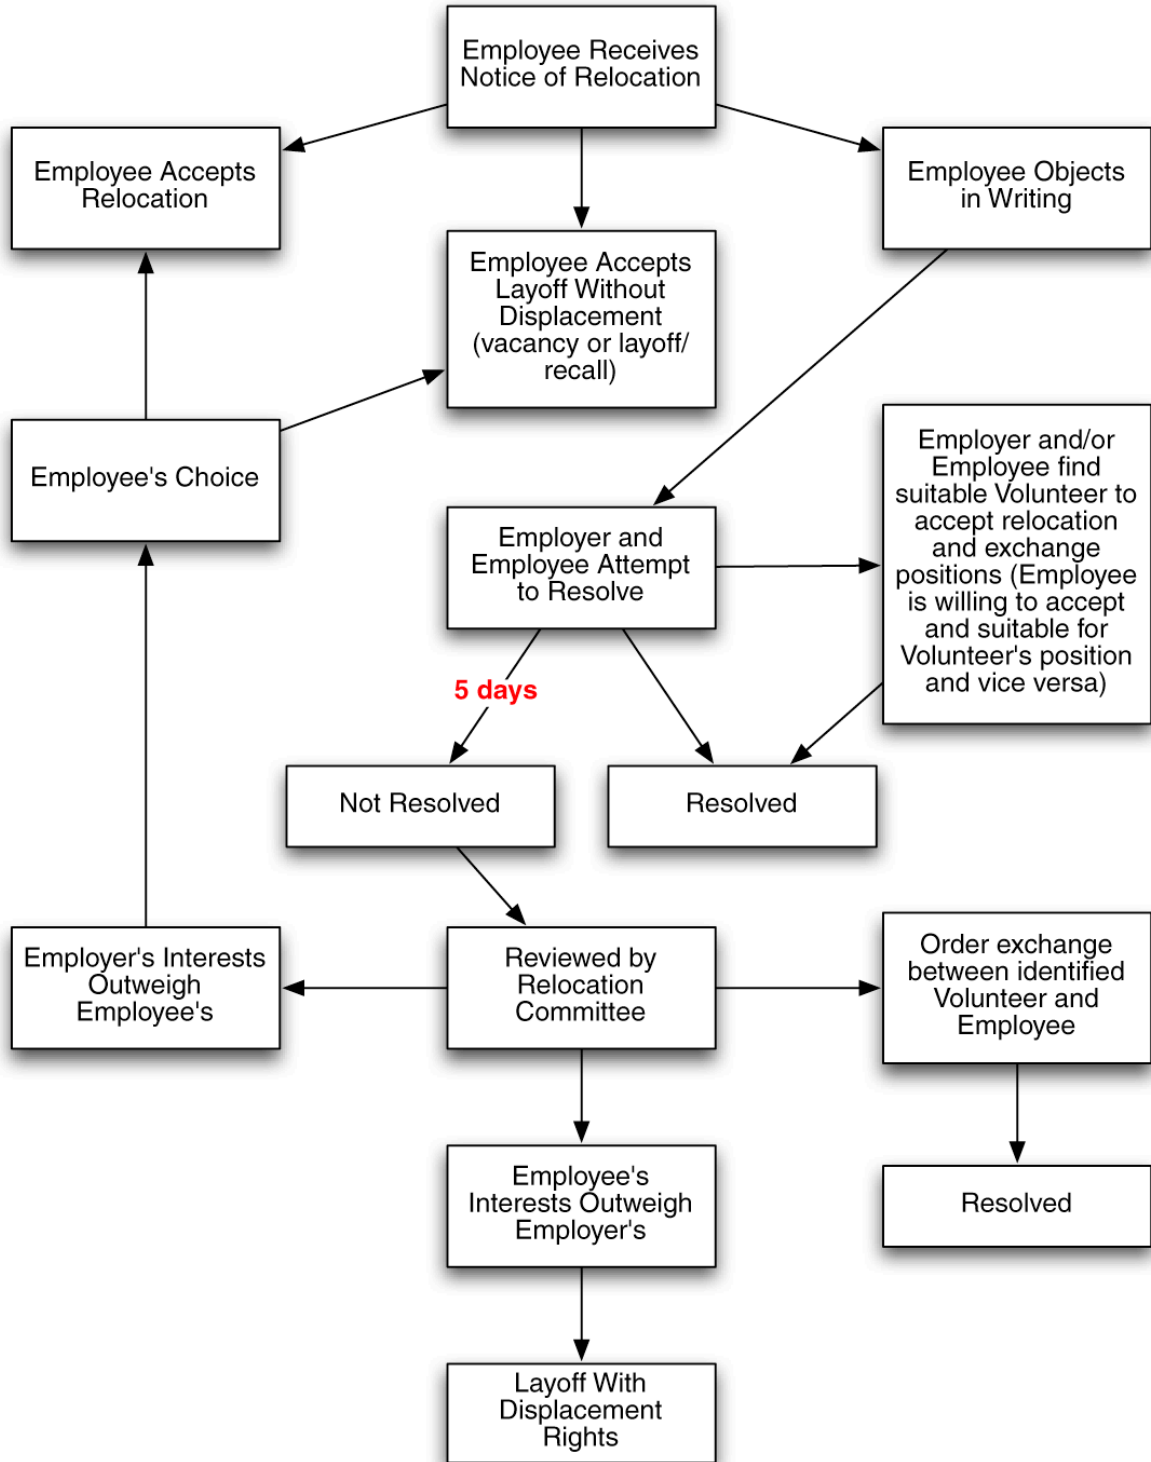

44.08 **Relocation Committee**

- (a) There shall be a Joint Standing Committee on relocation issues. (“the Relocation Committee”).
- (b) The Relocation Committee will consist of an equal number of nominees from the Employers and the Union. The committee may sit in panels as directed by the Umpire and any panel may exercise the full powers of the committee. Panels of the committee shall consist of three (3) people from the Union and three (3) from the Employers. Panels of the Relocation Committee will meet, as the need arises, on questions of work assignment.
- (c) The Umpire and any alternate umpires on work assignments shall be appointed jointly by the parties, from three (3) names submitted by the Union and three (3) names submitted by the Employers. The Umpire will be Ms. Carol Graham. The Alternate Umpire will be Ms. Donna Neumann.
- (d) The agenda will consist of such items that the Collective Agreement allows to be dealt with by the committee. All such matters properly submitted will automatically be placed on the agenda for the next Relocation Committee meeting.
- (e) The Relocation Committee shall meet as necessary and at least monthly and attempt to resolve the issues in dispute under the guidance of the umpire.
- (f) If the Relocation Committee is not able to settle the matter within 10 days after the Umpire’s commencement of discussions between the parties, either party may refer the matter to the Umpire for decision.
- (g) The Umpire shall encourage the parties to reach a consensual resolution of each issue, but failing that, will issue a final and binding decision based on the Umpire’s meetings with the Committee within 10 days of the matter being referred to the Umpire.

- (h) The Relocation Committee and the Umpire may hear submissions from any person it believes may assist the committee or the Umpire in arriving at a decision. The Committee and the Umpire shall proceed informally. If questions of procedure arise that cannot be resolved consensually, the Umpire will settle the process to be followed.
- (i) At any time an Umpire decides a matter, the Umpire will consider the same factors as the Relocation Committee.
- (j) The costs of the Umpire will be shared equally between the parties.

 - (b) regarding patient/resident/client safety, or the unit administration relative to Article 16; or
 - (c) where the Employer has not designated as a unit or part of a unit, then an Ad-hoc Committee, not exceeding eight (8), of equal numbers appointed by the Employer and the Union shall be established and shall address such concerns.
3. Failing resolution of the dispute between the parties pursuant to #2 above, the Union may advance the dispute within 30 days of response to Arbitration in accordance with this Collective Agreement.
4. The parties agree that notices of vacancy posted pursuant to Article 14.01 and offer letters issued pursuant to 14.11 are not factors for consideration when determining whether the designation of a unit is appropriate.
5. Should the Arbitrator find that the Employer's designation of a unit is inappropriate, the matter shall be returned to the parties for a period of 30 days during which the Employer and the Union will attempt to again resolve the matter.
6. Should the parties fail to resolve the matter within the 30 day period, the Arbitrator shall render a decision in this regard.
7. Should the Employer alter the designation of a unit during the term of this agreement, the Union shall be so notified in writing and the provisions of Sections #2 through #7 in the Letter of Understanding shall apply to the altered designation.

LETTER OF UNDERSTANDING #7

RE: RETENTION & RECRUITMENT INITIATIVES

WHEREAS the parties agree that:

- Recruitment is a critical factor in addressing retention and workload concerns of current Employees.
- It is anticipated that over the next 10 years, large numbers of senior Employees will retire. Succession planning must address the loss in numbers, as well as the loss of experience. Simultaneously, there will be an increased demand for Services to the system, given the changing demographics.
- Recruitment approaches must balance the need for new Employees, while respecting current Employees.
- It is desirable to recruit and retain both experienced Employees and Employees entering the workforce.
- The retention of current Employees and recruitment of new Employees are shared priority issues.
- Increased Service expansion will create challenges on how to maintain current Service requirements while adding additional capacity.
- Rural and urban Services may have differing human resource needs.
- There is value in early collaboration for effective problem solving.
- In addition to improved working terms and conditions in the current Collective Agreement, additional strategies will be required to address the nursing shortage.
- Decisions made at the Local level are more effective in meeting the needs of the Employer and Employee.

In recognition of these factors, the parties agree to undertake recruitment and retention initiatives as follows:

I. TRANSITIONAL GRADUATE NURSE RECRUITMENT PROGRAM

The Parties agree that the Transitional Graduate Nurse Program shall be paused for the duration of the 2024 – 2028 Collective Agreement. Effective, April 1, 2025 Letter of Understanding #29 Re: Graduate Nurse Transition Pilot Program shall replace the Transitional Graduate Nurse Recruitment Program.

1. **Key Principles:**

- (a) Recruitment initiatives will have a positive impact on the work environment of current and prospective Employees and will improve the quality of patient/resident/client care;
- (b) Recruitment of new nursing graduates is critical to the sustainability of health care services;
- (c) AHS has committed to have sufficient numbers of regular and temporary positions greater than six (6) months available to be able to hire at least 70% of the Alberta nursing student graduates;
- (d) The Transitional Graduate Nurse Recruitment Program (TGNRP) has been proven to be successful in recruiting and retaining new nursing graduates and supporting the development of confidence and competence to enable new nurses to work independently;
- (e) The TGNRP serves as an employment transition and learning opportunity for Graduate Nurses;
- (f) Mentorship is an important element for success of the TGNRP and will be supported as part of the TGNRP; and
- (g) Transitional Graduate Nurses learn and develop confidence and competence at varying rates depending upon the individual and the Unit/Program, and the TGNRP needs to be sufficiently flexible to accommodate these differences.

2. **The Program:**

The Employer shall create at least 20 and up to 1000 regular positions in each year of the Collective Agreement.

- (a) A maximum of 25% of the above positions may be regular Part-time positions of no less than 0.7 FTE.
- (b) These positions shall not be part of the baseline staff count. There shall be no reduction in the number of nursing hours worked on any Unit as a result of the creation of these positions.
- (c) The parties agree that these positions are created for the purpose of providing employment and learning opportunities for Graduate Nurses.

3. The competition for these positions shall be restricted to Graduate Nurses, Graduate Psychiatric Nurses, Registered Nurses and Registered Psychiatric Nurses who have graduated within the 12 months prior to commencement of the TGNRP and who have not yet obtained a regular position with AHS.

4. Successful applicants for these positions will be covered by all of the provisions of the Collective Agreement except as provided for in Item 6 below.
5. Successful applicants for these positions shall work under the guidance of a Registered Nurse, Registered Psychiatric Nurse, Clinical Educator or Clinical Supervisor on each Shift worked. The Employer will make every reasonable attempt to assign a consistent mentor to support each TGNRP participant.
6. TGNRP positions will be posted for a maximum duration of nine (9) months. Recognizing that TGNRP participants will develop confidence and competence at varying rates:
 - (a) The TGNRP participant and the manager and/or assigned mentor will have ongoing discussions regarding the TGNRP participant's progress and, on at least a monthly basis, will review the TGNRP participant's readiness to independently assume the full scope of RN or RPN practice.
 - (b) Once the TGNRP participant and the manager/mentor have determined that the TGNRP participant is ready to independently assume the full scope of RN or RPN practice:
 - (i) The TGNRP participant will be required to make application for available vacant positions of no less than 0.5 FTE. It is agreed that these Employees shall not receive special consideration for vacant positions. Experience gained in the Graduate Nurse and Graduate Psychiatric Nurse positions shall not be used as the deciding factor in the selection of candidates for vacant positions in accordance with Article 14: Promotions, Transfers & Vacancies.
 - (ii) The TGNRP participant can be offered relief hours or shifts paid at the applicable rate of pay when there are no Regular, Temporary or Casual Employees available to work the hours or shifts at the Basic Rate of Pay.
7. TGNRP participants who do not achieve a regular position, within nine (9) months of their initial appointment, will be transferred to casual status.
8. Where Employers have hired graduates under this Letter of Understanding, a review of the progress and implementation of the TGNRP shall be provided to the Joint Committee.
9. The Employer shall provide available, relevant information to the Union and Local(s) in a timely manner and, in any event, no later than 14 days from the date of the initial request for information.

II. TIMELY EXPANSION OF SERVICE CAPACITY

Where the Employer is expanding Service capacity which will require additional staff over and above the current staffing complement, and where the application of the terms and conditions of the Collective Agreement may delay the planned expansion, the parties shall meet prior to the planned expansion to discuss how the recruitment process will take place, review the current and required staffing complement and discuss other relevant factors.

III. RETENTION OF EXPERIENCED EMPLOYEES

The parties recognize that there are a number of senior, experienced Employees who are eligible for retirement currently, or in the near future. The parties recognize the contribution of these Employees and wish to take steps to encourage these Employees to remain in the system. Therefore, the following programs shall be implemented.

1. Retention Recognition

- (a) In addition to the rates of pay specified in the Salary Appendix, Employees with 20 or more calendar years of nursing service shall receive a 2% Long Service Pay Adjustment (LSPA). This shall form part of the Employee's Basic Rate of Pay.
- (b) Calendar years of nursing service to determine eligibility for the LSPA will be based upon the calendar years registered with any nursing licensing body.
- (c) Within 90 days of:
 - (i) date of employment; or
 - (ii) achieving 20 calendar years of nursing service;

an Employee eligible for an LSPA in paragraph 1(a) above shall provide the Employer with reasonable proof of the Employee's calendar years of nursing service, as described in paragraph 1(b) above. An Employee who requires further time to obtain reasonable proof shall, within the 90 days above, provide the Employer with written notice of their efforts, in which case, the Employer shall provide a reasonable extension of time for providing such proof.

(Project work may include research, leadership assignments and special projects.) The Program shall include a written plan detailing how the non-clinical remainder of the FTE will be utilized.
 - (ii) For purposes of this program, "leadership assignments" shall mean "to act as a guide, role model, advisor or counselor who shares practical, day-to-day, applied knowledge with other Employees."
 - (iii) A formal leadership assignment as project work is distinguished from preceptorship under Article 16: Responsibility Allowance, Temporary Assignment and In-Charge in that the duties of the preceptor role are performed concurrently and in addition to the Employee's regular clinical duties. Where the non-clinical portion of this Program is utilized to provide leadership support, this work will be done over and above the regular staff count and there will be no regular clinical duties assigned for the leadership portion of the Program.
 - (iv) The Employer shall not unreasonably refuse such a request.
- (b)
 - (i) The Program shall be reviewed by the Employer and the Employee on at least an annual basis.
 - (ii) The Program may be terminated by either the Employee or the Employer by providing 60 days' notice in writing of such termination.
- (c) Upon reaching mutual agreement regarding the details of the Program, the Employee shall:
 - (i) officially notify the Employer of their intended retirement date, such retirement date being up to four (4) years from the commencement date the Program as agreed by the Employee and the Employer; and

The posting shall indicate that the positions are combined. The Employer and the Union may mutually agree to the posting of combined positions in circumstances where the Employer has been unable to fill positions with an FTE greater than 0.42. The Union shall not unreasonably deny a proposal for a combined position created from FTEs greater than 0.42. If the Employer and the affected Local(s) agree, the distance between the specified Sites may be amended to 150 kilometres.
3. Newly created positions under this Letter of Understanding may be a combination of an “at” position with an “at or out of” position.
4. Employees for the above positions will be assigned a home site.
5. Article 7: Hours of Work and Scheduling Provisions

Schedules for Employees will be posted in accordance with Article 7: Hours of Work and Scheduling Provisions and Article 37: Extended Work Day in the specified sites. The Employer and the Union may also agree to amend the scheduling provisions. The schedules shall indicate the applicable site for all hours worked. Change of site for Shift will not activate the Shift change penalty.
6. Article 8: Overtime

Overtime will be paid as per Article 8: Overtime and Article 37: Extended Work Day recognizing total hours worked in all specified sites.
7. Article 11: Probationary Period and Orientation

The most immediate supervisor at the home site of each Employee will do yearly evaluations in accordance with Article 13: Evaluations and Personnel File.

9. A job description will be developed in accordance with Article 39: Job Description and Classification for these positions.

10. When a combined position is vacated, the Employer will, prior to posting the combined position as a vacancy, consider whether the circumstances in one (1) or other site have changed to justify using Article 14.16 to increase the FTE of a position at one (1) of the sites.

LETTER OF UNDERSTANDING #9

RE: MERGER OR DIVISION OF UNITS

The parties agree the Employer retains the right to create positions that entail regularly working on more than one (1) unit, and when such positions are created, the posting will clearly indicate this. Although the Employer retains the right to create multi-unit positions and float positions, the norm will be that Employees will continue to be employed in a single unit. The parties further agree that notwithstanding any provision of this Collective Agreement, in the event that the Employer combines multiple units on the same site into a single unit or divides a single unit into multiple units, no notice of position elimination shall be required, provided that there is no other substantial change to the Employee's position. This does not preclude the Employer from requiring an Employee to "float" to another unit on an exceptional basis in order to meet operational requirements; or preclude an Employee from agreeing to work additional Shifts on other units.

LETTER OF UNDERSTANDING #10

RE: MAXIMUM LENGTH OF SHIFT CYCLES

Notwithstanding the provisions of Article 2.13, the parties agree that there is a benefit to limiting repeating Shift Cycles to 12 weeks in duration where possible. The parties recognize that adapting schedules to ensure that the shift cycle repeats within a period of 12 weeks will take time and requires other changes that may impact Employees. The parties therefore agree as follows:

1. Unless otherwise agreed in writing by the Local and the Employer, or unless impossible, new Shift Schedules that are posted for implementation after the date of ratification (February 16, 2018) shall have Shift Cycles that are 12 weeks or less in duration. This Letter of Understanding shall not apply in workplaces where there are non-repeating shift cycles. The Employer shall make reasonable efforts to provide the Union with a listing of such workplaces within 90 days of date of ratification.
2. The parties recognize that the introduction of a new schedule that complies with item #1 may require alteration to an Employee's Shifts per Shift Cycle. In such cases, the alteration of an Employee's Shifts per Shift Cycle shall be minimized to the greatest extent possible and shall not trigger Article 15: Layoff and Recall.
3. The parties recognize that the introduction of a new schedule that complies with item #1 may require alteration to an Employee's FTE. In such cases, the alteration of an Employee's FTE shall be minimized to the greatest extent possible and shall not trigger Article 15: Layoff and Recall.
4. A revised letter of hire confirming the Employee's hours per Shift and Shifts per Shift Cycle shall be issued when there are changes.

LETTER OF UNDERSTANDING #24

RE: PROVINCIAL WORKLOAD ADVISORY COMMITTEE

Alberta Health Services (“AHS”) maintains overall responsibility and statutory liability for the staffing and staffing levels through the provision of all provincial health care services. AHS is working towards the development of staffing models based on a variety of factors including the acuity of patients and the associated workload. This work involves the triangulation of data through three tools/sources of information:

1. Operational Best Practices – the current methodology used to determine staffing targets in AHS, which also provides the ability to compare staffing levels nationally and within Alberta.
2. Acuity Based Staffing Tool (Safer Nursing Care Tool) – a pilot of an evidence-based patient classification method that estimates nurse staffing based on patients’ acuity and dependence on nursing care.
3. Connect Care Nursing Workload Acuity Scoring System – a pilot capturing patient acuity and workload data as a by-product of clinical documentation in Connect Care.

The parties acknowledge that there is value in collaborating on the work towards the development of staffing models, based on the three sources of information described above, through transparent discussions, information sharing (excluding 3rd party and proprietary information), and seeking mutual understanding and agreement where possible. Implementation of Employer decisions related to the pilots or staffing models derived therefrom will not be delayed by the meetings of the Committee.

Therefore, the parties agree as follows:

1. A Provincial Workload Advisory Committee (“the Committee”) shall be established within 90 days of the date of ratification.
2. The Committee shall consist of an equal number of Employer and Union representatives and a neutral Facilitator appointed by the Committee.
3. The Committee shall meet at least four times a year. Either party may request additional meetings, which shall not be unreasonably denied.
4. The function of the Committee is to examine and make recommendations to AHS regarding the aforementioned pilot projects from which the staffing models will be derived. This work requires recognition of the diversity of health professionals, flexibility and responsiveness to evolving needs of patients, and changes in technology and innovation, and will include:
 - identification of patient quality indicators and efficiency metrics that should be monitored;
 - reviewing workload and acuity measures and identification of other data for consideration;

- validation of data analysis generated from the pilots (e.g. unit-to-unit comparisons, patient-to-patient workload acuity comparisons); and
 - reviewing communication and teaching materials aimed at front line staff.
5. AHS Pilot Leads shall provide updates, at least four times a year, including transparent information sharing (exclusive of 3rd party or proprietary information) to the Advisory Committee on the progress of the pilot projects.
 6. Discussions regarding labour relations matters (including grievances and arbitrations), occupational health and safety issues, specific concerns filed under the PRC process and budgetary decisions are outside the scope of the Committee.
 7. The Committee shall use a consensus-based decision-making model. Recommendations to AHS shall only be made if consensus is reached.
 8. The role of the Facilitator is to:
 - educate the committee on the consensus based decision making model;

RE: GRADUATE NURSE TRANSITION PILOT PROGRAM

Commencing April 1, 2025, the Parties agree to pilot an amended approach to support the transition of new nursing graduates entering into the workforce. The new pilot program is a maximum of 12 months in duration and pairs each participant with a clinical guide during an enhanced orientation phase and a mentor during the participant's transition to independent practice.

To facilitate this pilot, the Parties agree that the provisions of this Letter of Understanding shall replace Letter of Understanding #7 Re: Retention and Recruitment Initiatives Section I until March 30, 2028. Prior to April 1, 2025 the Employer will provide written framework and expectations of participants, clinical guides and mentors. The pilot program, shall be as described below.

I. GRADUATE NURSE TRANSITION PILOT PROGRAM

1. Key Principles:

- (a) Recruitment initiatives will have a positive impact on the work environment of current and prospective Employees and will improve the quality of patient/resident/client care;
- (b) Recruitment of new nursing graduates and ensuring their successful transition is critical to the sustainability of health care services;
- (c) The Employers have committed to have sufficient numbers of regular and temporary positions greater than six (6) months available to be able to hire at least 70% of the Alberta nursing student graduates;

- (d) The Graduate Nurse Transition Pilot Program (GNTPP) is intended to ensure the successful recruitment, development, and long-term retention of new nursing graduates by supporting the development of confidence and competence to enable new nurses to work independently;
- (e) The GNTPP serves as an employment transition and learning opportunity for Graduate Nurses;
- (f) Clinical guidance and mentorship are important elements for success of the GNTPP and will be supported as part of the GNTPP; and
- (g) GNTPP participants learn and develop confidence and competence at varying rates depending upon the individual and the Unit/Program, and the GNTPP needs to be sufficiently flexible to accommodate these differences.

2. The Program:

Commencing April 1, 2025, the Employers, with the exception of The Bethany Group (Camrose) and Lamont Health Care Centre, shall create at least 1000 temporary 12-month positions in each year of the Collective Agreement.

- (a) A maximum of 25% of the above positions may be temporary Part-time positions of no less than 0.7 FTE.
- (b) These positions shall not be part of the baseline staff count. There shall be no requirement to backfill such an Employee. During the Enhanced Orientation Phase, such Employee shall not be utilized to back fill another absent Employee. There shall be no reduction in the number of nursing hours worked on any Unit as a result of the creation of these positions.
- (c) The parties agree that these positions are created for the purpose of providing employment and learning opportunities for Graduate Nurses.
- (d) The program shall consist of two key phases, Phase 1 is an Enhanced Orientation and Phase 2 is Independent Practice with Continued Support. Regardless of the duration of the orientation phase, the total duration of the program shall not exceed 12 months.
- (e) **Phase 1 - Enhanced Orientation**
 - (i) Employees hired into the Program shall participate in an intensive orientation lasting 3 to 6 months depending on the clinical area they are assigned to and their individual progress.
 - (ii) Where the enhanced orientation requires completion of additional post-secondary training during the Enhanced Orientation, the program participant will be paid at the Basic Rate of Pay for their attendance in

the post-secondary training program for all hours in attendance not to exceed a 1.0 FTE. The parties recognize that the participant will be required to adhere to the academic calendar of the applicable post-secondary institution. This will require temporary adjustment to the program participant's Shifts/Shift Cycle which shall not be considered a violation of the Collective Agreement.

- (iii) During the enhanced orientation period, the program participant shall be assigned a clinical guide with whom they will be scheduled to work. The Employer shall endeavor to limit the assignment of clinical guides to not more than 2 per participant.
- (iv) Clinical guides will work directly with the program participant on the same shifts, providing real-time clinical support, facilitating skill development, and assisting with patient care planning and decision-making. Clinical guides shall provide regular (at least daily) feedback to the program participant. Clinical guides shall also periodically review the learning plans. The clinical guide and participant share a patient/resident/client assignment.
- (v) The manager and the program participant will have ongoing discussions regarding the participant's progress on a biweekly basis. The Manager and the clinical guide shall meet with the program participant at least monthly to review the participant's readiness to independently assume the full scope of RN or RPN practice. Once the program participant, manager, and clinical guide have determined that the program participant is ready to independently assume the full scope of RN or RPN practice, the participant will transition to the next phase of the program – Independent Practice with Continued Support.

(f) **Phase 2 - Independent Practice with Continued Support**

- (i) After successful completion of the enhanced orientation, participants shall transition to independent practice in the same unit, program, Site or office at the same FTE they were originally hired into. During this phase, new nurses gradually gain autonomy while maintaining access to clinical practice support. Program participants will practice independently in the same setting, reinforcing their skills, confidence, and decision-making abilities.
- (ii) During this period, program participants shall be assigned a mentor who will provide guidance and periodic support throughout the remainder of the program. The mentor provides broader professional development (not daily clinical support), offering feedback, and helping the new graduate

navigate challenges. The program participant may work with the mentor on occasion however there is no requirement for the mentor and the program participant to be scheduled to work alongside one another.

- (iii) The Employer shall establish a roster on which Employees may indicate their interest in providing mentorship. If there is not an acceptable individual at the Site to provide the required mentorship, the Employer shall assign an individual on the mentorship roster from another Site.
- (iv) Once the participant has transitioned to independent practice, the participant will be required to make application for available vacant positions of no less than 0.5 FTE in the same type of practice setting, ideally within the same unit, program, Site or office. It is agreed that these Employees shall not receive special consideration for vacant positions. Experience gained in the Graduate Nurse and Graduate Psychiatric Nurse positions shall not be used as the deciding factor in the selection of candidates for vacant positions in accordance with Article 14: Promotions, Transfers & Vacancies.
- (v) When the participant achieves a new position, they shall continue to work the FTE of their GNTPP position until their participation in the program is complete, unless the Employee appointed to a position with a higher FTE in which case the Employee will work the higher FTE of their new position. In the event that the Employee is appointed to a position with a lower FTE pursuant to paragraph 2(f)(iii) above, the GNTPP FTE shall be achieved through scheduling of additional Shifts on the Employee's unscheduled days. Such Shifts will form part of the Employee's FTE and shall therefore be paid at the Basic Rate of Pay. An Employee will be assigned additional Shifts in accordance with the scheduling provisions applicable to Flexible Part-time positions.
- (vi) After the program participant achieves a position, but while they are still in the Independent Practice Phase, a portion of their FTE shall continue to be excluded from the baseline count; this portion will be determined based on the difference between the FTE of their GNTPP position minus the FTE of their new position. For the portion excluded from the baseline there shall be no requirement to backfill such an Employee.

For example, a program participant who is hired into a 1.0 GNTPP position and achieves a 0.70 FTE position during this phase shall remain a 1.0 FTE for the remainder of the program; 0.70 of their FTE shall be part of the baseline staff count and 0.30 of their FTE shall remain excluded from the baseline staff count. There shall be no reduction in the number of nursing hours worked on any Unit as a result of the creation of these positions.

3. GNTPP participants who do not achieve a regular position within twelve (12) months of their initial appointment, will be transferred to casual status.
4. The competition for these positions shall be restricted to Graduate Nurses, Graduate Psychiatric Nurses, Registered Nurses and Registered Psychiatric Nurses who have graduated within the 12 months prior to commencement of the GNTPP and who have not yet obtained a regular position with one of the participating Employers.
5. Successful applicants for these positions will be covered by all of the provisions of the Collective Agreement except as amended in this Letter of Understanding.
6. Where Employers have hired graduates under this Letter of Understanding, a review of the progress and implementation of the GNTPP shall be provided to the Joint Committee.
7. The Employer shall provide available, relevant information to the Union and Local(s) in a timely manner and, in any event, no later than 14 days from the date of the initial request for information.
8. Notwithstanding the scheduled expiry of the program, the provisions of this Letter of Understanding shall continue to apply to Employees who have not completed their participation in the GNTPP by March 30, 2028.
9. This Letter of Understanding shall expire on March 30, 2028.

RE: LOCUM PROGRAM EXPANSION

1. HSS and UNA agree that it is preferable to utilize HSS Employees to provide staffing for rural facilities and programs experiencing challenges in terms of recruitment and retention of Employees and the RN/RPN Locum Program may assist in maintaining health care services in a community. The Parties therefore agree to expand the Locum Program to the Central and South Zones.
2. HSS and UNA will meet within 60 days of the date of ratification to commence negotiating in good faith, a new Local Condition for the expanded Locum Program.
3. The Local Condition for the Locum Program, once ratified, shall apply to the entire expanded Locum Program inclusive of the North, Central, and South Zones.

5. Following the ratification of the new Local Condition, the parties shall establish a committee to discuss the logistics associated with the implementation of the expanded Locum Program. This Committee shall:
 - a. consist of the current HSS and UNA members of the North Zone Locum Committee, additional representatives from the Central and South Zones, and such subject matter experts as deemed necessary by either party to support the expansion of the Locum Program;
 - b. determine the required frequency for committee meetings; and
 - c. provide regular updates to the Multi-Employer and UNA Joint Committee.
6. This Letter of Understanding shall expire March 31, 2028, or earlier if the Parties mutually agree the committee has fulfilled its intended purpose.

LETTER OF UNDERSTANDING #32

RE: POST-RATIFICATION AMENDMENTS

1. The Parties acknowledge the potential for changes in organizational structures as a result of the initiative to refocus healthcare.
2. The following Letters of Understanding include references to “zone” or “zones”:
 - (a) Letter of Understanding #12 Re: No Reduction in Nursing Hours;
 - (b) Letter of Understanding #27 Re: Rural Capacity Investment Fund;
 - (c) Letter of Understanding #31 Re: Locum Expansion; and
 - (d) Letter of Understanding # 33 Re: Stabilization Measures.
3. The Parties agree to meet for the purposes of amending the references to “zone” or “zones” in the aforementioned Letters of Understanding to reflect changes in organizational structures, where required.

LETTER OF UNDERSTANDING #33
RE: STABILIZATION MEASURES

PART A:

The Parties agree that the timely recruitment of net new Employees is a shared priority. The Parties therefore agree to conduct a pilot project aimed at ensuring the efficient and timely recruitment of external candidates.

1. The Parties agree to have regular discussions regarding the progress and success of this initiative (including the numbers) in increasing recruitment of net new Employees.
2. The Employer shall continue to post vacancies in accordance with Article 14: Promotions, Transfers and Vacancies. However, the Employer may also recruit external candidates, through other means.
3. When offering employment to an external candidate, the Employer will ensure:
 - (a) the external candidate is appointed to a vacancy that has gone unfilled following the processes described in Article 14: Promotions, Transfers and Vacancies; or
 - (b) the Employer and the Local have reached mutual agreement on the appointment of an external candidate on the basis that there is a vacancy, or a forecasted vacancy, requiring a particular combination of skills and expertise possessed by the specific external candidate, but not generally/widely available within the applicable applicant pool; or
 - (c) failing the above, the external candidate may be appointed on a supernumerary basis.
4. Successful external candidates will be issued an offer of employment by the Employer:
 - (a) Initial offer letters issued shall include the following:
 - i. category (Regular, Temporary, or Casual);
 - ii. classification;
 - iii. full time equivalency (FTE); and
 - iv. zone (as defined by Alberta Health Services).

- (b) Upon finalization of employment details and prior to a candidate's relocation to Alberta (if applicable), the Employer shall issue a revised offer letter that complies with the provisions of Article 14.11. In finalizing the offer of employment, the Employer and the candidate may mutually agree to amend the zone.
 - (c) Prior to the external candidate's start date, the Employer will issue a letter of hire that complies with Article 14.11 of the Collective Agreement.
- 5. The Parties agree that for the purposes of this Letter of Understanding, "appointed on a supernumerary basis" means the Employee's position is not budgeted within the complement of Full-time or Part-time positions. There is therefore no requirement for the Employer to backfill a supernumerary Employee who is absent and there is nothing to prevent the Employer from backfilling an absent Employee with a supernumerary Employee. There shall be no reduction in the number of nursing hours worked within a unit, program, Site, or office as a result of the creation of supernumerary employment under this Letter of Understanding.
- 6. For the purposes of this Letter of Understanding supernumerary employment may take a variety of forms including, but not limited to, float assignments, providing backfill for Employees on vacation, time off in lieu, and leaves of absence.
- 7. The Parties agree that the supernumerary employment will end as soon as reasonably possible. The supernumerary Employee shall be required to make application for available vacant positions of no less than 0.5 FTE within the zone identified in section 4(a)(iv) above that is suitable to the Employee's skill set. The Parties agree however, that the priority is to transition the supernumerary Employee to a vacancy within their original unit, program, Site, or office as identified in their letter of hire.
- 8. In the event an Employee remains supernumerary for more than 6 months from their start date, the Parties will meet to determine how to transfer the Employee to a suitable position.
- 9. Where the transfer of a Supernumerary Employee pursuant to paragraph #7 or #8 results in moving the Employee to a different unit, program, Site, or office this shall not be considered a position elimination. AHS shall undertake all work necessary to amend the work permits of transferring Employees as required to reflect the change in Site.
- 10. When transferring a supernumerary Employee pursuant to paragraph #7 or #8 above the Employer shall guarantee the Employee's original employment category, classification, and FTE. In the event that the Employee is appointed to a position with a lower FTE, the Employer shall meet the requirement to guarantee the original FTE through scheduling of additional Shifts on the Employees unscheduled days. Such Shifts will form part of the Employee's FTE and shall therefore be paid at the Basic Rate of Pay. An Employee will be assigned additional Shifts in accordance with the scheduling provisions applicable to Flexible Part-time positions.

Part B:

1. At the time of hire, all new Employees hired into Regular positions shall not be eligible to exercise their rights under 14.01(c) for a period of 12 months of the initial start date of their Regular position. This does not apply in extenuating circumstances or to Employees applying on vacancies within the same unit, program, or office provided the vacancy is in a higher-rated classification, higher FTE, or Employees applying on vacancies pursuant to paragraph #7 of this Letter of Understanding.

Part C:

1. This Letter of Understanding shall expire on March 30, 2028 unless otherwise agreed.
2. Notwithstanding the scheduled expiry:
 - (a) paragraph #10 of Part A shall continue to apply to any Employee while they remain in the position to which they were appointed in accordance with paragraphs #7 or #8 as applicable unless otherwise agreed between the Employee and the Employer; and
 - (b) Part A of this Letter of Understanding shall continue to apply to Employees who are considered supernumerary as of March 30, 2028.

RE: HEALTH CARE RE-FOCUSING

The parties agree that the Letter of Understanding “RE: Transition of Employees Pursuant to the Health Statutes Amendment Act, 2024” shall be replaced with the following Letter of Understanding:

The parties acknowledge the Health Statutes Amendment Act, 2024 enables the creation of provincial health agencies or provincial health corporations and permits the issuing of transfer orders; and that the Government of Alberta is proceeding with Health Care Re-focusing, the impact of which is to transfer Employees or classes of Employees from AHS to a provincial health agency or provincial health corporation. Approximately 30,000 members of the Direct Nursing Care or Nursing Instruction bargaining unit as described in certificate #C-73-2013 are currently employed by AHS and may be impacted as a result of a transfer order. The parties have a shared interest in ensuring seamless continuation of service delivery for patients and clients while supporting impacted Employees through the transition.

The parties therefore agree as outlined in Part A and Part B in this Letter of Understanding.

Part A: Transition Terms

1. For purposes of this agreement the following definitions shall apply:
 - (a) “Directly affected Employee” means AHS Employees holding positions identified for transfer to a provincial health agency or provincial health corporation as a result of a transfer order.
 - (b) “Indirectly affected Employee” means an AHS Employee who is displaced by a directly affected Employee or as the result of the displacement of a directly affected Employee.

- (c) “Transferring Employee” means an AHS Employee who elects to transfer to a provincial health agency or provincial health corporation either as a result of a transfer order or as a result of exercising their rights under Part A, paragraph #19.
- (d) “Payroll transfer date” means the date on which transferring Employees are migrated from the AHS payroll group to the provincial health agency payroll group or provincial health corporation payroll group.
2. AHS and UNA shall reach mutual agreement on a communication addressed to current bargaining unit members to outline potential impacts and options associated with the order establishing, the transfer order, and this agreement. This does not prohibit each party from issuing their own communications.
 3. Effective as of the date that a transfer order is issued, AHS will issue a report to UNA to confirm the names of all directly affected Employees.
 4. Following the date that a transfer order is issued, AHS shall issue a notice in person or via e-mail to all directly affected Employees to advise that their position has been identified for transfer to the provincial health agency or provincial health corporation. Directly affected Regular Employees may accept the transfer to the provincial health agency or provincial health corporation or decline the transfer. AHS and UNA shall reach mutual agreement regarding the deadline for Employees to respond to the notice. The Union shall be copied on notice letters to Employees.
 5.
 - (a) If a directly affected Employee is on a leave of absence, Workers’ Compensation, absent due to illness or injury including STD and LTD at the time that the transfer order is issued, the Employee shall not be served with notice pursuant to Part A, paragraph #4 until after the Employee has advised AHS of their readiness to return to work.
 - (b) Where the Employee accepts the transfer to a provincial health agency or provincial health corporation after having been on STD or LTD, the transfer shall not be processed until after the Employee has returned and is actively at work with AHS.
 - (c) Where the Employee accepts the transfer to a provincial health agency or provincial health corporation after having been on WCB, the transfer shall not be processed until after the Employee has made a full return to work with AHS.
 - (d) The parties agree that each circumstance involving a directly affected Employee returning from STD, LTD, or WCB will need to be reviewed on a case-by-case basis. The approach taken may vary based on the specific circumstances at hand.
 6. Directly affected Employees who elect to transfer or who do not respond by the specified date shall be deemed to have transferred to the provincial health agency or provincial health corporation, except in extenuating circumstances.

7. (a) Transferring Employees shall not be required to serve a new probationary or trial period as a result of the transfer to the provincial health agency or provincial health corporation.
- (b) Transferring Employees who are in the process of completing an initial probationary period or a trial period at the time of transfer shall complete the probationary or trial period as applicable.
- (c) A transferring Employee who is being reinstated or placed pursuant to Article 14.08(c) of the Collective Agreement shall be reinstated or placed:
 - (i) within AHS in circumstances where the Employee's former position was not affected by the transfer order; or
 - (ii) within the provincial health agency or provincial health corporation in circumstances where the Employee's former position was affected by the transfer order.
8. Directly affected Employees who wish to decline the transfer must do so in writing by the date specified in the notice issued pursuant to Part A, paragraph #4, except in extenuating circumstances. Employees are required to send their response to the designated AHS and UNA email addresses.
9. Directly affected Regular Employees who opt not to transfer to the provincial health agency or provincial health corporation, shall be served with notice of position elimination and shall have all rights as specified in Article 15: Layoff and Recall except that the Employee may not receive 28 days' notice. The parties agree that the Employee shall continue to work in the position being transferred until completing the processes under Article 15.04. Any directly affected Employee who opts not to transfer to a specific provincial health agency or provincial health corporation shall not be permitted to displace Employees within that provincial health agency or that provincial health corporation.
10. Directly affected Employees who opt not to transfer to the provincial health agency or provincial health corporation may be required to temporarily transfer for a period of up to six months. This will have the effect of postponing the notice of position elimination as described in Part A, paragraph #9. This requirement shall be limited to circumstances where the number of impacted Employees exercising their rights under Part A, paragraph #9 jeopardizes the viability of the program. In applying this provision, the Employer shall begin with the least senior of the Employees of the affected unit, program, or service who are exercising their rights under Part A, paragraph #9.
11. Directly affected Regular Employees working in temporary positions who opt not to transfer to the provincial health agency or provincial health corporation may be required to continue in the temporary position if the viability of the program is jeopardized. This will have the effect of postponing the notice of position elimination as described in Part A, paragraph #9.

12. A transferring Regular Employee working in a temporary position that is also affected by a transfer order shall be reinstated or placed within the provincial health agency or provincial health corporation in accordance with Article 14.08 at the conclusion of the temporary position.
13. A Regular AHS Employee working in a temporary position that is affected by a transfer order shall continue working in the temporary position as if temporarily transferred to the provincial health agency or provincial health corporation. The Employee shall maintain their status as a Regular AHS Employee. The temporary transfer to the provincial health agency or provincial health corporation shall last until:
 - (a) The provincial health agency or provincial health corporation decides that the incumbent Employee is no longer required to continue in the temporary position; or
 - (b) until the completion of the term of the temporary position expressed Article 14.02(a).

At the conclusion of the temporary transfer, the Regular AHS Employee shall be reinstated or placed in accordance with Article 14.08. Such Employees are prohibited from applying on further temporary opportunities within the provincial health agency or provincial health corporation.

14. A Regular provincial health agency or provincial health corporation Employee working in a temporary position that is not affected by a transfer order shall continue working in the temporary position as if temporarily transferred to AHS. The Employee shall maintain their status as a Regular Employee of the provincial health agency or provincial health corporation. The temporary transfer to AHS shall last until:

AHS and UNA agree to update the list of applicable provincial health agencies as orders are issued.

The vacancy shall be filled whenever possible from Employees covered by this Letter of Understanding.  - (iii) the receiving Employer has been unable to fill the position through any recall provisions which exist.

The Local(s) and the Employer(s) will discuss the implementation of this provision in the event of a layoff or position elimination and an Employee advises that they wish to exercise this right.

4. Emergency Reassignments

- (a) Employees covered by this Letter of Understanding may be assigned to work at the direct nursing bargaining unit of an Employer that is party to this Letter of Understanding, for the purpose of providing assistance in emergency situations.

An emergency is an unforeseen combination of circumstances or the resulting state that calls for immediate action.

A situation is not an emergency if it results from a reasonably foreseeable combination of circumstances or if reasonable remedial steps could have been or can still be taken to deal with the circumstances.

Employees from any site may be assigned to work at any site to provide assistance in emergency circumstances.

Before invoking this provision, the Employer will assess its ability to meet the emergency by compelling Employees at that site to work overtime. The ability or necessity to compel overtime neither proves nor disproves emergency circumstances. The parties recognize that the decision should be made in the best interests of patient care, that the relative costs are not a factor in themselves and that there are times when requiring mandatory overtime may itself create stresses on Employees and safety concerns that outweigh the stresses and concerns caused by relocation.

The Employer will notify the Union forthwith at any time this provision is invoked and disclose the circumstances that resulted in the emergency.

The Employer shall reimburse Employees for all reasonable, necessary and substantiated additional accommodation and transportation costs for traveling between sites including parking if not otherwise provided.

- (b) During the period of the assignment to a different bargaining unit, the Employee shall continue to be a member of the Employee's home bargaining unit and covered by that Collective Agreement.
 - (c) The Employer shall reimburse the Employee for all reasonable necessary and substantiated additional transportation and costs incurred in travelling between sites in the course of a Shift, including parking for the Shift where not otherwise provided, as per the Collective Agreement or Employer Travel Reimbursement Policy.
 - (d) The Employer shall notify the Union forthwith whenever this provision is invoked. The Employer(s) agrees to disclose relevant information.
 - (e) There shall be no layoffs as a result of an Employee working in more than one (1) bargaining unit.
 - (f) Any Employee working within another bargaining unit in this Agreement shall receive a reasonable period of orientation to the other site.
5. Sharing of Expertise, Education, or Maintenance of Skills:
- (a) Skill Maintenance:

Employees from any bargaining unit may be assigned to work within any bargaining unit for the purpose of skill maintenance.

The Employer(s) shall endeavor to offer staff in similar circumstances similar opportunities to attend other bargaining units for skill maintenance. Any single assignment shall not exceed three (3) months. The term of assignments can be renewed and extended with Union agreement.

Employees shall only be required to be assigned to another bargaining unit for skill maintenance if the skill maintenance cannot be provided at the Employee's home bargaining unit.

The parties agree that this clause will not be used for the purposes of regularly scheduling Employees across bargaining units on an ongoing basis or solely for operational convenience.

(b) Education

The Employer(s) may assign Employees to work at another Employer where the Employees are not represented by their bargaining unit for the purposes of providing and receiving education, inclusive of related practical experience with and without direct supervision.

Any single assignment shall not exceed three (3) months. The term of assignments can be renewed and extended with Union agreement.

(c) Meetings

Employees are permitted to attend meetings at another Employer where the Employees are not represented by their bargaining unit.

(d) Orientation

New Employees may be assigned to attend orientation at another Employer where the Employees are not represented by their bargaining unit to support centralized or standardized delivery or space issues. This shall not replace site or program specific orientation.

6. The parties recognize that the co-mingling of Employees, policies, equipment, patients, residents, and clients will be a major concern for both Employers, Employees, patients, residents, clients and families. The parties recognize that this may vary from Employer to Employer and Site to Site and will evolve over time. The parties recognize that the final decision on these matters rest with the Employer(s), subject to any provision in the Collective Agreement. To ensure complete transparency and in the interests of patient care, this matter will be a standing item on every affected Joint Occupational Health and Safety Committee and every affected Professional Responsibility Committee Meeting.
7. In the event that there are situations that arise that are not contemplated by this Letter of Understanding, the parties shall meet for the purposes of discussing the issue and reaching agreement on how to proceed. This Letter of Understanding shall be updated as required.
8. Expiry

This Letter of Understanding shall expire March 30, 2028.

LETTER OF UNDERSTANDING #35

RE: SALARY SCALE RESTRUCTURING

To address structural inequities in the salary scales the Employer shall implement the changes specified below.

1. Effective April 1, 2024, the Employer shall amend the salary scales for each classification to ensure a difference of 4.00% between each step. The percentage difference between each step for every classification shall be maintained at 4.00% thereafter.
2. Effective as of the Date of Ratification a 10th step will be added to all classifications and all Employees will advance by one pay step on the salary scale. Employees will retain their anniversary date, and all accrued increment hours towards their next pay step. This means that any hours worked prior to the date of ratification will count towards the next advancement on the applicable salary scale.
3. Immediately following the step advancement of Employees as described in paragraph 2, the first step of the salary scale shall be deleted and the remaining steps shall be renumbered.
4. The above shall not apply to the Undergraduate Nurse classification.
5. This Letter of Understanding shall expire as of March 31, 2028.

ADDENDUM OF LOCAL CONDITIONS

The names that appear in this Addendum of Local Conditions are operational names and in no way alter or affect the application, jurisdiction or legal name that appears in the Alberta Labour Relations Board certificated defining bargaining units.

The Parties agree to renew the Local Conditions that were in place during the 2020 - 2024 Collective Agreement, with consequential changes, and any necessary corrections only.

The parties recognize that the re-organization and re-focusing of health care is continuing and will require a re-organization and re-formatting of the Local Conditions, listing the Sites, programs, Locals and Employers. The Parties agree to work on this project during the life of this agreement.

Amended Local Conditions will be issued and published on the Employer and UNA web sites upon completion.
